(2) For the purposes of subsection (1):

(a) "contract" does not include:

(i) merchandise sold to the highest bidder at public auctions;

(b) "pecuniary interest" does not include holding an interest of 10% or less in a corporation.

(3) (a) Except for district needs that must be met because of an unforeseen emergency, as defined in 20-3-322(5), or as provided in subsections (4) and (6) of this section, whenever any building, furnishing, repairing, or other work for the benefit of the district or purchasing of supplies for the district is necessary, the work done or the purchase made must be by contract if the sum exceeds ~~\$50,000~~ \$100,000.

(b) Except as provided in Title 18, chapter 2, part 5, each contract must be let to the lowest responsible bidder after advertisement for bids. The advertisement for bids under this subsection (3)(b) must be published in the newspaper that will give notice to the largest number of people of the district as determined by the trustees. The advertisement must be made once each week for 2 consecutive weeks, and the second publication must be made not less than 5 days or more than 12 days before consideration of bids. (4) A district may enter into a cooperative purchasing contract for the procurement of supplies or services with one or more districts. A district participating in a cooperative purchasing group may purchase supplies and services through the group without complying with the provisions of subsection (3) if the cooperative purchasing group has a publicly available master list of items available with pricing included and provides an opportunity at least twice yearly for any vendor, including a Montana vendor, to compete, based on a lowest responsible bidder standard, for inclusion of the vendor's supplies and services on the cooperative purchasing group's master list.

(5) This section may not require the board of trustees to let a contract for any routine and regularly performed maintenance or repair project or service that can be accomplished by district staff whose regular employment with the school district is related to the routine performance of maintenance for the district.
